**Mr. Donald Trump, CEO
The Trump Organization
725 Fifth Ave
New York, New York, 10022**

Dear Mr. Trump,

I heard your comments tonight on CNN concerning our reliance on oil. There is a replacement for energy derived from oil that has been known for over 200-years; the replacement is water. Enclosed are documents and disks in support of the preceding statement.

Hopefully the information is of interest.

Sincerely,

Byron S. Wine III

Attachments (Attachment numbers are from a letter sent to a Senator. The attachments and videos are from the "Energy Information" CD in section #XX-X)

Mr. Trump is in receipt of your business presentation.

While he appreciates your bringing this opportunity to his attention, regretfully, it is of no interest to him at the present time. We will be happy to keep your proposal on file so that if the opportunity presents itself, we will certainly be in touch.

Thank you for writing Mr. Trump, and we wish you much success in your endeavors.
