Mr. Arnaud de Borchgrave
Editor at Large
Washington Times
3600 New York Ave NE
Washington, DC 20002-1947

Dear Mr. de Borchgrave,

I read your article "Energy Emergency" of 9/19/05 and thought you might be interested in the enclosed CD. The CD duplicates one, www.byronwine.com, of several websites with this information.

Also enclosed is a two-page flyer that I distribute in my area. This flyer is distributed because no local media will inform the people of the truth concerning proven energy technology.

Will the Washington Times inform your readers of decades old, and new, technology that could, if implemented, greatly reduce our dependence on oil.

Regards,
