Mr. Byron S. Wine, III

Dear Mr. Wine:

Thank you for your recent letter to Governor Kaine sharing your web site information on automobiles fueled with components of water. The Governor has asked the Department of Mines, Minerals and Energy to respond on his behalf.

I understand that you have spoken to Mr. Stephen Walz, the Governor's Senior Advisor for Energy Policy, about your ideas. Mr. Walz has also reviewed your webpage and will contact you with any questions he may have.

Thank you for your interest in Virginia's energy future

Sincerely,

A handwritten signature in cursive script that reads "George P. Willis".

George P. Willis
